

Jointly provided by Postgraduate Institute for Medicine and the KY and IN Chapters of HIMSS.

### **Target Audience**

This activity is intended for IT professionals, physicians, pharmacists, nurses, respiratory therapists, dieticians, Sr. IT executives, and payers engaged in care of patients within a setting that provides direct patient care, such as a hospital, managed care organizations, or ambulatory care setting.

### **Educational Objectives**

*After completing this activity, the participant should be better able to:*

1. Participants will be able to summarize interoperability challenges and efforts at the organization, state, regional and national levels and evaluate how they relate to each individual's role(s) or organization(s).
2. Participants will gain knowledge of clinical informatics, data analytics, data governance, process improvement, and/or change management practices, and be able to analyze and summarize their potential implications for individual organizational environments and healthcare at large.
3. Participants will be able to analyze and explain potential implications of current trends in cybersecurity and incident response.
4. Participants will be able to describe, evaluate, and potentially apply new strategies for use in population health management.

### **Joint Accreditation Statement**

JOINTLY ACCREDITED PROVIDER  
ACREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and KY Bluegrass HIMSS/IN HIMSS. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Postgraduate Institute for Medicine designates this continuing education activity for 6.0 contact hour(s) (0.60 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Activity Number – JA4008162-9999-19-621-L04-P

Type of Activity: Knowledge

### **Continuing Nursing Education**

The maximum number of hours awarded for this Continuing Nursing Education activity is 6.0 contact hours.

### **Disclosure of Conflicts of Interest**

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

The PIM planners and managers have nothing to disclose.

### **Disclosure of Unlabeled Use**

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

### **Disclaimer**

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

### **Request for Credit**

If you wish to receive acknowledgment for completing this activity, please complete the evaluation on [www.cmeuniversity.com](http://www.cmeuniversity.com). On the navigation menu, click on "Find Post-test/Evaluation by Course" and search by course ID 14192. Upon registering and completing the activity evaluation, your certificate will be made available immediately.

For Pharmacists: Please complete the evaluation on [www.cmeuniversity.com](http://www.cmeuniversity.com). On the navigation menu, click on "Find Post-test/Evaluation by Course" and search by course ID 14192. Upon registering and completing the activity evaluation, your transcript information will be sent to the NABP CPE Monitor Service.
