

Julie Burgoon

ELLKAY, Director of Customer Success and CNFL HIMSS Board Member

Julie is an accomplished healthcare leader and expert in Healthcare Interoperability. She works with organizations to build payer-provider collaboration and to implement interoperability solutions to improve quality and drive value-based care.

With 25 years of experience in the healthcare industry, Julie has led large change initiatives at a variety of provider, payer, and integrated delivery organizations. She specializes in advising and leading service organizations to implement innovation in data and analytics to drive value and optimize performance and quality.

Julie has served on HIMSS national workgroups for advocacy and interoperability. She also served as the chair of the HIMSS Provider Payer Community and was a founding member of the HIMSS Clinical and Business Intelligence Committee.
