SPRING 2017 EDUCATION CONFERENCE

Thursday and Friday
April 6-7, 2017

Drury Plaza Hotel Broadview Wichita
400 West Douglas Ave. Wichita, KS

Please join us in Wichita for the chance to learn and share with fellow Kansas HIT professionals. Our sessions may focus on some heavy topics like data analysis, security, optimization, LEAN procedures and the role of clinical informatics, but we still plan to have some fun! Come mingle with your friends, share your experiences and peruse the latest offerings from our vendor sponsors. We believe we have an exceptional group of presenters this year and we look forward to the conference!

See you in Wichita!
