

Join us for a great panel  
discussion.

Then stay to learn more  
about ST. Louis  
Healthcare companies.

## Navigating your Career in Healthcare

Presented by:  
HIMSS Midwest Gateway  
Chapter & HFMA  
Greater St. Louis Chapter

November 2nd, 2017

---

Panel discussion 3:00—4:00PM

Meet the Firms 4:00—8:00

Marriott St Louis West  
660 Maryville Center Drive

## Welcome!

Come hear from this esteemed panel three different perspectives on navigating your career in healthcare.

Dr. Watkins- Moore has a specific focus on Start-up organizations and has worked with many new companies to help craft strategy, business plan development, marketing strategies and funding options.

Erin Stamm works as the CIO for Esse Health, one of the regions largest and most innovative independent provider networks. Erin has experience implementing a major EHR transition including physician and staff training and compliance.

Jason Ewing is the CIO for St Francis Healthcare. Jason bring his passion to healthcare IT and has spent his career impacting and turning around IT departments, implementing care technologies and creating integrated governance models to promote transparency, collaboration and high performance.

### Like to get involved?

HIMSS and HFMA are looking for student and professional volunteers to help support a variety of different functions and topics.

Please ask your HFMA or HIMSS board member for more information.

Volunteering is a great way to grow your network, learn about industry trends and add experience to your resume!
