• Susan K Newbold Biography:

Susan K. Newbold, PhD, RN-BC, FAAN, FHIMSS, CHTS-CP, is a Healthcare Informatics Consultant, Franklin, TN. Most recently she was the Education Lead for the implementation of the Electronic Health Record (EHR) at the Hospital Corporation of America, Nashville, TN. She is uniquely qualified to teach this course as she has experience in the vendor, consulting, academic and hospital world. Dr. Newbold is Board Certified in Nursing Informatics and initiated the first review course in nursing informatics in 1995 which she taught over 100 times. In 2001 she won the Sigma Theta Tau International Honor Society of Nursing International Technology Award for Knowledge Advancement for this course.

The second speaker is selected based on availability from a pool of candidates with recent informatics experience.

Healthcare Informatics Education

Nursing Informatics Boot Camp

This course goes beyond the ANCC outline to discuss current trends and issues.

Taught by informatics professionals with recent healthcare informatics experience.

COURSE DESCRIPTION

This intensive two day course focuses on current informatics trends and issues in health. It includes content for nurses interested in becoming Certified Informatics Nurses. Other clinical professionals working in informatics may wish to take the course to become exposed to the course topics.

Axxess Consult Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation. 14.0 hours of continuing education credit will be awarded upon completion of this offering. Full attendance at the program is required.
