

Strategies to Support MACRA Standards

October 13, 2016

5:30 - 7:30 pm

Milwaukee School of Engineering
Todd Wehr Conference Center
1047 N. Broadway
Milwaukee, WI 53202

Speakers

Monica Nichter, RN, MSN

Director, Revenue Integrity and Payor Contracting, Holy Family Memorial

Monica Nichter is the Director of Revenue Integrity and Payor Contracting for Holy Family Memorial Manitowoc, WI. With over 25 years' healthcare leadership experience in a variety of settings, she has overseen numerous successful system implementations and process enhancements for financial recovery. Monica was also an operations leader for Medicare Advantage plans and Commercial Lines of Business for a regional health plan. She has BSN and MSN degrees from the University of Wisconsin - Oshkosh.

James Deren

Director of Information Technology Healthcare Planning, CareTech Solutions

Jim Deren is Director of Information Technology (IT) Healthcare Planning for CareTech Solutions, where he has performed over 40 detailed IT assessments and several IT strategic plans for hospitals in the U.S. He has over 35 years' IT experience, including over 26 years in the healthcare industry. Mr. Deren is a certified project manager (PMP) with CPHIMS certification and a B.S. degree in education/computer science from Eastern Michigan University. He has also presented at numerous conferences.

With MACRA standards only months away, a recent Deloitte survey shows that 50% of physicians have never heard of it. This informative session will explore its potential impact on

Medicare payments to both clinicians and their employers in the coming years. Along with an examination of the key differences between Alternative Payment Models

(APMs) and the Merit-based Incentive Payment System (MIPS), there will be practical advice on IT and process changes needed to meet the new quality measures.
