

5TH TEXAS HEALTHCARE INFORMATION TECHNOLOGY FORUM

Find out from Texas Healthcare Information Technology Industry Leaders what's current and what's next in the Texas Healthcare IT arena.

TEXAS CAPITOL ANNEX AUDITORIUM
WEDNESDAY, APRIL 12TH 2017
1:00 - 4:30PM.

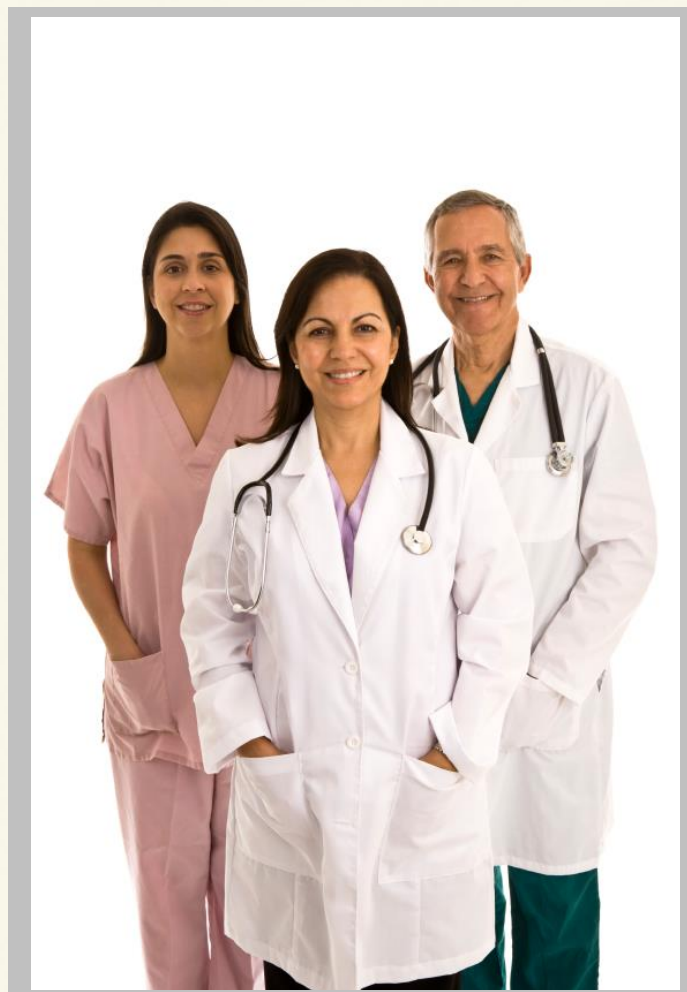

Hear Texas Healthcare IT leaders speak on the following topics of critical importance to Texans:

- Texas Healthcare IT Update
- Federal Update
- Cybersecurity
- Telemedicine
- Opioid Tracking
- Zika Syndromic Surveillance

This Forum is in conjunction with the Texas Healthcare Information Technology Day at the Capitol where we will visit with legislators regarding healthcare IT. If you are interested in participating, please register at <https://txhitday.eventbrite.com>
