

Volunteers Needed for the HIMSS Summer Social

Hey Madison – what's more fun than watching a Badger game or the monkeys at the Henry Vilas Zoo? Wisconsin HIMSS, of course! We're coming to Madison on June 29th for an exciting member event and are looking for a few volunteers to help us make the evening extra special.

We'll be spending the bulk of the evening downtown at the Great Dane (<https://www.greatdanepub.com/>); we're looking for a few people willing to help with some minimal set up/take down and checking in members as they arrive. We're also looking for some designated roving photographers for the evening – who has the best selfie skills?

Another set of volunteers would be doing the exact same things (set up, check in, photos) but would be at the Escape This! Escape Room (<http://escapethis.com/>). After the escape room activity has ended, this group can mosey on over to join everyone else at the Great Dane.

Interested in helping, but don't want to get stuck behind a desk all night? Fear not, we have an assortment of times to choose from. If you can help, please contact Amy Wolfgram at awolfgram@css.edu or at (715) 450-6845.
